The Director of Central Intelligence

Washington, D. C. 20505

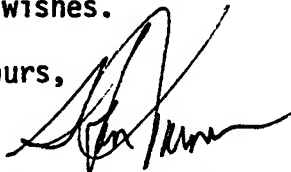

18 March 1980

Dear Mr. Morrell,

Thanks so much for sending the story about Nedra, "The Dragon Lady." It's a fascinating account of a fascinating person. My wife and I generally get to San Francisco once a year and always look on a brief visit with Nedra as one of the highlights of that occasion. We hope to do it again in August this year.

Again thanks and warmest wishes.

Yours,

STANSFIELD TURNER
